## WELCOME TO TOTAL HIRE AND SALES

Originally founded as City Plant Hire Ltd in 1968, Total Hire and Sales has grown from humble beginnings to the well-established and trusted tool and equipment hire company it is today.

Operating from multiple locations across the Midlands, Total Hire is a preferred supplier for many major building and construction businesses, as well as DIY customers.

Offering local and nationwide delivery and collections, we've built a solid reputation for high quality tool and equipment hire and customer service excellence.

## OUR MISSION

We aim to provide a one stop solution to all our valued customers, making sure we exceed your expectations every time. This is our guarantee and we look forward to working with you soon.

### SIGN UP ONLINE FOR A TRADE ACCOUNT TODAY

# POWERED ACCESS

From our dedicated Powered Access depot, we offer a range of mobile elevating work platforms (MEWP) for projects which require safe working at height. These include push around verticals, mast lifts, scissor lifts, track and truck mounts, articulating and stick boom lifts, both electric and diesel powered.

Our versatile and reliable fleet provides a safe and mobile solution for workers to reach elevated areas, with working heights ranging from 3.60m to 53m, providing the right solution for any job.

We offer a safe, modern, reliable and cost-effective way of working at height covering a full range of MEWP requirements, with local and national coverage. Our professional staff are always on hand to give advice on selecting the best access platform for your specific needs.
